**Fabulous hike with Oktovia**

Jul 2017

We had a terrific time **hiking** Mt.Grænadyngja, Mt.Trölladyngja and Lambafellsgjá gorge with Oktovia on Season's "Off the Beaten Path" tour. The landscape is magnificent. Oktovia was knowledgeable, happy to make accommodations according to everyone's abilities, and great company. It was a highlight of our trip to Iceland - recommend highly!

There are many places in a short driving distance from Reykjavik where we hike in a beautiful landscape where you almost never see any tourists or even Icelanders. Choose between the examples given in the itinerary or tell us where you want to hike. Many of the examples given are only for those who are well-fit and used to hiking on uneven terrain and steep hills but we offer hikes for all levels. The tour is usually between 5 and 6 hours.
