**Excellent Personal Tour of South Coast**

May 2019 • Couples

My husband and I had the pleasure of touring the South Coast with Gunnsi. It was outstanding! So well organized and informative. He also took photos along the way and organized them with notes of the trip and shared all of it with us after the tour so that we could remember all that we learned. The personal insights and knowledge is fantastic. Well worth the price for a memory of a lifetime! We first learned about All Seasons from some friends who had toured with his business partner Tyffi, and they had a fabulous time, too.

The scenic South Coast tour includes a visit to majestic waterfalls, beautiful basalt columns, a hollow cape in the ocean, a glacier, and black sand beaches. We drive in the area where one of the most famous Viking sagas took place, Njálsbrenna, or the story of burnt Njáll, featuring Gunnar á Hlíðarenda and Hallgerður Langbrók. On the tour you will learn about the flora and fauna, geology, and Viking history, but most of all you will have fun and enjoy the scenery.
