

## 2 Day - Golden Circle and South coast

### Product Details

Brand: Multi day tours,

In our multiday tours we stay out in the country side and have the opportunity to enjoy more beautiful sights because we don't spend time driving to Reykjavik in the evening. We carefully pick our hotels, where there is good food and atmosphere. The accommodation, breakfast and two course gourmet dinner is included. For Northern Lights hunters staying in the country side away from the light pollution, we often have a good opportunity to see them. On our tours you will get to know everything about the nature, locals, their interesting food and folklore
